What To Do In A Medical Emergency

You must notify **MAPFRE Assistance (tel: +44 207 748 2979)** immediately of any serious illness or injury whilst abroad which necessitates admittance to a hospital as an in-patient, or before any arrangements are made for repatriation. A travelling companion may do this for you although most hospitals have a set procedure in place. The 24-Hour Emergency Service is available 24 hours a day, 365 days a year for assistance with Medical Emergencies. The Assistance Service is able to liaise with doctors and hospitals, worldwide to guarantee medical care expenses, if medically necessary to arrange emergency repatriation with medical escort, to give guidance and help to other members of the party, or to pass a message to relatives. This Insurance does not cover any medical care expenses which in the opinion of the Insurers are not essential or can reasonably be delayed until the Insured returns to his usual country of residence.

Medical Treatment in the United Kingdom

All benefits available under Section 2 cease on return to the United Kingdom. If you need medical treatment in the United Kingdom you should use the facilities of the National Health Service.

How To Make A Claim

Any occurrence or loss, which may give rise to a claim, should be advised immediately to **Travel Claim Services** (the appointed claims handlers), whose details are shown below. When notifying them of a claim you must provide your name, address, telephone number, policy reference number and a brief description as to the nature of the claim. If medical attention has been received you should have already notified **MAPFRE Assistance** and sought their approval for any medical care expenses incurred outside of the reciprocal agreement. Failure to have done this may prejudice the amount payable under your claim. In NO event should a claim be notified later than 31 days after the expiry of the trip during which the claim occurred.

Important: Any loss or damage to baggage whilst in the custody of carriers (airline, bus company etc.) must be notified immediately in writing to such carriers, but in any event within three days, and a Property Irregularity Report (PIR) obtained. Any loss of money or personal baggage must be reported to the police within 24 hours of discovery and a written report obtained. Proof of ownership of personal belongings, if requested, must be supplied.
